3. All bids are to be **PER LOT** as numbered in the catalogue, unless otherwise announced by the auctioneer at the time of sale.
4. The highest bidder accepted by the auctioneer shall be the buyer. In the event of any dispute between bidders, the auctioneer may, in his discretion, determine who is the successful bidder, and his decision shall be final; or the auctioneer may reoffer and resell the article in dispute.

11. In addition to the purchase price, the buyer will be required to pay the New York City sales tax, unless the buyer is exempt from the payment thereof.

12. The Company, subject to these Conditions of Sale and to such terms and conditions as it may prescribe, but without charge for its services, will undertake to make bids for responsible parties approved by it. Requests for such bidding must be given with such clearness as to leave no room for misunderstanding as to the amount to be bid and must state the catalogue number of the item and the name or title of the article to be bid on. The Company reserves the right to decline to undertake to make such bids.
